Penrose 8/28/74 Shapiro Stephen Sachs, Steven Schulman
Shapiro - his motion is "Bring us together"
Sachs - up to Jaworski with only one point that "Nixon was President" which he thinks does not mean that he (Nixon) should not be prosecuted
" If he hasn't prosecuted it might be more defensible"
Jaworski, Haig's lawyer "reconciliation might be better achieved by Mr. N's not having immunity"
Shapiro tries to make severe punishment required of those other crime members, more than White collar.
